Catalogue Sale

www.yaringaalpacas.com.au

Welcome to our first Catalogue Sale

This catalogue represents a **sample** of animals on offer by Yaringa Alpacas plus a few select animals belonging to our clients. We have more animals available.

FEMALES

All pregnant females are sold with “live cria guaranteed” to 48 hours. In the event that a female is not pregnant or the cria does not survive, the client may return the female to Yaringa for a free remate. Maiden females are sold with a fertility guarantee.

This catalogue was put together before our mating season finished. Matings details and covering sires were correct at time of publication, but please confirm covering sire and last mating date prior to purchasing a female as it is possible these details may have changed.

CRIA

All cria at foot will be registered for you if not already registered.

MALES

All males over twelve months of age are sold certified, and with fertility guaranteed by the age of 36 months.

Certified Males

YARINGA GYN-ICE

IAR 147645
 Date of Birth 15/02/2009
