

# *Black Thunder*

**Colour:** Solid Black

**IAR:** 73117

**Date of Birth:** 09/12/2003

A son of our Zeus this male is a genuine blue black. He excelled at the shows winning numerous ribbons. His offspring exhibit fine, dense, crimped fleeces with great lustre and bundling. His compact frame is solid and well boned. We are tending to use this male in conjunction with Gladiator and so far that combined formula has proved a winning one.
