

Gladiator

Colour: Solid Black

IAR: 73015

Date of Birth: 13/12/2003

Down from the Julius/Dorchester line this male hardly needs an introduction. A multiple champion himself, including Supreme Black at the huge Victorian Colourbration show, his progeny are consistently performing both in the show ring and in quality assessment, with many championships themselves. Gladiator is arguably the best black male in Australia. He passes on his fine, dense fleece, as well as crimp, lustre and good frame. Year after year he produces the finest alpaca in our herd and is a “must have” to add his qualities to your herd.
