

Simply The Best

*“Simply the Best” at 6 months of age
– 4 months fleece length*

Colour: Solid Light Fawn

IAR: 132681

Date of Birth: 29/08/2008

This male's name says it all! He is bred in the purple by Shanbrooke Alpaca Stud. Simply the Best has an advanced fleece type, exhibiting deep crimping and intense lustre.

As you would expect from a full Peruvian his frame is strong and true. He has excellent density and coverage. Already this young male has excelled in the show ring winning multiple championships in 2009 and 2010.

His 2010 fleece results were exceptional, producing a beautifully fine fleece whilst cutting over 4kgs (excluding fibre of ncv). Simply The Best was awarded Reserve Champion Mature Male at the 2013 AAA National Show.

***“Simply the Best” at Australian Sheep & Wool
Show, Bendigo, July 2010***
